## **TEAMSTER PUBLIC SERVICES MEMBER TOWN HALL**

The Teamsters will be hosting a town hall webinar for Public Services members on Saturday, April 10. The town hall will feature General President James P. Hoffa and Public Services Division Director Jason Rabinowitz. Lamont Byrd, of our Safety & Health Department will join us to talk about the COVID-19 vaccines. We will also hear from Christy Bailey, Director of the Political & Legislative Action Department about the stimulus package and what steps the Biden administration is taking to help workers.

To register in advance for this webinar, please visit: [ibt.io/townhallPSD](https://ibt.io/townhallPSD)

After registering, you will receive a confirmation email containing information about joining the webinar. If you can't join the video portion, then call-in information will also be sent when you register. The video will be posted on the Public Services webpage for those who cannot view the webinar live: <https://teamster.org/divisions/public-services-division/>

We hope you will join the Teamsters Public Services Division as we seek to inform you on the issues that affect you and public sector workers across North America.
